Subject: RE: FTE error causing bonus retention error

CHS provided Bellevue with the complete record of Dr. Kaye's time for the period of the longevity payment eligibility. Bellevue completed the initial calculation, which I believe was verified by Central Payroll.

Diane, can someone triple check the calc? thanks.

Good Morning Dr. Kaye

I verify that while you were employed at Bellevue between the period May 22, 2000 through June 30, 2018 you were a 1.0 employee working 40hrs per week.

Subject: FTE error causing bonus retention error

Hello Mr. Myrie,

I worked a 1.0 FTE at Bellevue starting in May 2000 thru June, 30, 2018.

I am eligible for the full retention bonus but I only received a partial payment because I am incorrectly listed as 0.67 FTE by Central Office.

This is according to information provided to me by Doctors Council.

Please provide payroll verification that I worked 1.0 FTE at Bellevue from 8/1/17 thru 6/30/18. Also, please verify that I am correctly listed as 1.0 FTE starting May 2000, which is when I changed from part-time to full-time. I was hired part-time in August 1999.

I am currently 1.0 FTE at CHS, beginning July 1, 2018, which should be listed accordingly at Central Office.

In addition to not receiving my full bonus, I am concerned that this error could negatively impact my pension, accrual of annual leave and other benefits so I am anxious to ensure that it is corrected as soon as possible.

Thank you very much for your help

Melissa Kaye, M.D.
